To Whom It May Concern

This is to certify that Engr. Muhammad Mohsin, with ID 35501-0450282-1, is a permanent faculty member at SABAC-ARID Institute of Management Sciences, serving as an AI Research Engineer in the Department of Computer Science since December 8, 2022. During his tenure, he has made significant contributions to research, particularly in the areas of Deep Learning, Computer Vision, and Electronics, consistently demonstrating exceptional expertise and a strong commitment to advancing the field of Artificial Intelligence.

His technical proficiency, analytical abilities, and proactive approach to problem-solving have been invaluable to our research and academic programs. His collaborative spirit and dedication to excellence have greatly enriched every project and initiative he has undertaken. We are proud to have him as a valued member of our faculty and look forward to his continued contributions to the success and growth of our institution.
